1. For the purposes of the provisions of Article 13 of Royal Decree 1066/2007, to formulate and promote a public offer for the acquisition of shares (hereinafter, the Offer) on the Company's own shares, on a voluntary basis and which meets the following conditions:

- (i) The bidder will be the Company itself.
- (ii) The recipients of the Offer shall be all the shareholders of the Company, and the Offer shall therefore be extended to all the shares representing the share capital of the Company, subject to the provisions of section (v) below.
- (iii) As there are no outstanding convertible bonds, or other securities that give rise to the subscription or acquisition of shares of the Company, the Offer is not directed at such securities.
- (iv) The Offer will be formulated as a purchase and sale, consisting of money for the entire consideration, which will be paid in cash at the time of settlement of the transaction.
- (v) The maximum number of shares to be acquired will be determined by the Board of Directors, within the limit established in section 1 above, taking into account, therefore, the shares that the Company has in treasury stock and the maximum limit provided for in article 509 of the Capital Companies Act. whole or in part, on one or more occasions, by the procedure and under the terms and conditions (including placement price) that the Board deems most appropriate. In addition, the Offer itself will provide a specific and timely liquidity mechanism to all the Company's shareholders, which is in addition to the stock market liquidity of the Company's shares, thus facilitating a possible divestment, at least partial.

- (ix) The deadline for acceptance of the Offer will be determined by the Board of Directors, with the minimum limit of fifteen days and the maximum limit of seventy days provided for in article 23.1 of Royal Decree 1066/2007.*
- (x) Upon completion of any of the conditions to which this agreement is subject in accordance with (viii) foregoing, the effectiveness of the Offer shall not be subject to any conditions.*

- (i) Formalize the Offer before the National Securities Market Commission, indicating, specifying, setting and developing each and every one of the terms of the Offer in all matters not expressly provided for in this agreement, including the term for acceptance of the same and the rules for the distribution and proration of the shares in accordance with Article 38 of Royal Decree 1066/2007, in all matters not expressly provided for by the General Meeting.*
- (ii) Request the corresponding authorisation of the Offer, subscribe, draft and submit the corresponding explanatory prospectus (together with its annexes) and any documents amending it, as well as any other supporting documentation that may be required in accordance with the provisions of Royal Decree 1066/2007, including the presentation of any additional information or complementary documentation required by the National Securities Market Commission or any other body and, in general, any relevant action, declaration or management both before the National Securities Market Commission and before any body that is competent for the successful completion of the Offer, being able to assume the commitments and make the declarations that are necessary or deemed appropriate for the aforementioned purposes, with the broadest powers to do so.*
- (iii) To write and publish as many advertisements as necessary or convenient in relation to the Offer.*
- (iv) Drafting, signing and signing irrevocable commitments to accept the Offer with the Company's shareholders on the terms they deem appropriate and, in general, carrying out all actions that may be necessary or convenient in relation to them.*
